

## AO Speranța Terrei cu grija de cei mai vulnerabili

Every year during the winter, the public association "Speranța Terrei" provides assistance in the form of hot meals to people without a fixed place of residence who find themselves in cramped living situations. Winter 2023-2024 - is no exception: every Saturday at the organization's office they organize hot meals for the disadvantaged.

The Center's employees try to diversify the menu: traditional Moldovan cabbage rolls, buckwheat porridge with cutlets, roast pork, salads, pickles, fresh frozen fruit compote, tea and coffee - everything is prepared with love and attention to our beneficiaries.

Irina, Snezhana, Feodora, Valentina and Margarita are happy to help the beneficiaries. But all this would be impossible without the enormous support of the Global Giving Foundation, thanks to whose financial resources we have the opportunity to conduct x-ray examinations for our wards, as well as provide tasty, satisfying, varied food.

**Irina Peterson (pregnant, lonely, homeless)** - *"I'm glad I found out about your center. Thank you for the variety, for warm clothes and hot lunches. It's especially difficult for me because... I have no documents, I don't receive benefits, I have no money, and I have nowhere to live either."*

**Marin and Larisa (not living in a second marriage, Marina is pregnant)** - *"We are very grateful to you for such help. He sold the apartment for utility debts, stayed on the street, and her parents kicked his wife out of the house. Now we live in the same house, where we were allowed to live for the winter. There is no light, no water, no heat. Thank you for feeding us, giving us clothes, food, helping us survive."*

**Anna (24 years old, mother of four children aged 5, 4, 3 and 2 years old)** - *"I am raising four children alone, my partner does not help, the older children attend kindergarten, and the youngest child is at home with me, That's why I can't get a job. I don't receive benefits. I survive on occasional earnings. There are two more brothers with me. Thank you to your organization for this opportunity to feel needed and protected. Thank you for the delicious, varied food."*
